IMPORTANT

You will find important information (e.g. list of documents to be submitted) in the **information sheet**.

Therefore, please read it! It is available at https://www.bmi.gv.at/312_EN/60a/start.aspx

Please note the **official language** of Austria is **German**. The authority will do its best to communicate in English but for legally binding declarations you will have to use the German language.

B. Closing statement

1. **I have entered all the information correctly.** I have not intentionally misrepresented anything. I am aware that all relevant documents must be presented in person at the time of application. I have provided all the relevant documents I have. **If the authority requests translations, I have to provide them in German.**

If a document is not in German or English, it is recommended to have my documents translated before applying. Then the authority can work faster.

2. **I have to provide my address.** The authority sends all letters to this address. If this address changes, I have to report this to the authority immediately. For example when I move. If the authority is repeatedly unable to deliver a letter to me, it will discontinue my application. Then I will not get a residence title or documentation!

I can also specify an authorized recipient. The authority then sends my letters to this person. What an authorized recipient is can be found on page 1 under *authorized representative*.

If any of the information on this form changes, I must report this to the authority immediately! I have to do this in writing. I also have to send all relevant documents.

3. **If I provide wrong information or if I don't provide all relevant information, it's possible that I will not get a residence permit! It is also possible that the authority will not extend my residence permit.** This can also happen if I do not follow points 1 to 5 of this closing statement.

4. I am not allowed to marry anyone just to get a residence permit or a documentation! I am not allowed to enter into a registered partnership with anyone just to get a residence permit or a documentation! I am not allowed to arrange a marriage or registered partnership for anyone just so that they can get a residence permit or a documentation.

I am not allowed to adopt anyone just to get a residence permit or a documentation! No one can adopt me just to get a residence permit or a documentation. I am not allowed to arrange an adoption just so that someone gets a residence permit or a documentation.

These marriages, registered partnerships and adoptions are punishable by law! That means I will be charged. I may have to pay a fine or go to jail.

It is also punishable if I give false information in order to get a residence permit!

5. If I commit an **administrative offense**, I have to pay a **fine of at least 50 Euros and up to 250 Euros**.
- I have to immediately inform the authority if the purpose of my stay changes. I am only allowed to do what is related to the purpose of my stay.
 - I have to hand in documentation that is no longer valid to the authority.
 - I have to immediately report to the authority if someone has stolen my documentation, if I have lost it or if the documentation has become damaged. I also have to report immediately if my data changes. For example, if I get married and have a different name.
 - If my family circumstances change, I have to report this to the authority after one month at the latest. For example, if I get married or get divorced.

I am committing an administrative offense if I do not comply with the statements in point 5.

C. What do I do if I want to extend my residence permit?

Before your residence permit expires, you can **personally** apply for a new residence permit. You can apply for another residence permit

- **no earlier than three months before expiry** of the current residence permit and
- **no later than the day on which the residence permit expires.**

The expiration date is on your residence permit. Please make an appointment in due time.

If you submit the application too late, the application is considered an initial application. This means you will probably have to leave Austria. In this case you would have to submit the application while abroad.

This is stated in Section 24 of the Settlement and Residence Act. The abbreviation for this is NAG.

By signing I confirm that I understand the instructions above. This is the instruction according to Section 19 paragraph 7 NAG.

Please set a reminder in your calendar so that you always have up-to-date proof of your right of residence.
