E. Closing statement

1. I can only apply for **one type** of residence permit.
2. **I have entered all the information correctly.** I have not intentionally misrepresented anything. I have provided all the relevant documents I have. **If the authority requests translations,** I have to **provide** them in **German**. If a document is not in German or English, it is recommended to have my documents translated before applying and submit the translations. Then the authority can work faster.
3. **I have to provide my address.** The authority sends all letters addressed to me to this address. If this address changes, I have to report this to the authority immediately. For example, when I move. If the authority is repeatedly unable to deliver a letter to me, it will discontinue my application. Then I will not get a residence permit!
I can also specify an authorized recipient. The authority then sends my letters to this person. What an authorized recipient is can be found on page 2 under authorized representative.
If any of the information on this form changes, I must report this to the authority immediately! I have to do this in writing. I also have to send all relevant documents.
4. **I have to collect the residence permit personally!** If I have a legal representative, I have to collect the residence permit personally and my representative must also be present. For example, the mother or father can be legal representatives for their child. People with disabilities can also have a legal representative. Children under the age of 14 do not have to come along to collect the residence permit.
5. If I get the residence permit I have to comply with module 1 of the **integration agreement**. **That means I have to learn German.**
6. **If I provide wrong information or if I don't provide all relevant information, it is possible that I will not get a residence permit! It is also possible that the authority will not extend my residence permit.** This can also happen if I do not follow points 1 to 5 of this closing statement.
7. When I receive my residence permit for the first time, I am not allowed to work until I have picked it up.
8. **If my family circumstances change,** I have to report this to the authority! For example, if I get divorced. I have to report this no later than one month after the change in circumstances.
9. I am not allowed to marry anyone just to get a residence permit! I am not allowed to enter into a registered partnership with anyone just to get a residence permit! I am not allowed to arrange a marriage or registered partnership for anyone just so that they can get a residence permit.
I am not allowed to adopt anyone just to get a residence permit. No one can adopt me just to get a residence permit.
I am not allowed to arrange an adoption just so that someone gets a residence permit.
These marriages, registered partnerships and adoptions are punishable by law! That means I will be charged. I may have to pay a fine or go to jail.
It is also punishable if I give false information in order to get a residence permit!
10. If I commit an **administrative offense**, I have to pay a **fine of at least 50 Euros and up to 250 Euros**.
 - I have to immediately inform the authority if the purpose of my stay changes. I am only allowed to do what is related to the purpose of my stay.
 - I have to immediately report to the authority if someone has stolen my residence permit, if I have lost it or if the residence permit has become damaged. I also have to report immediately if my data changes. For example, if I get married and have a different name.
 - If my family circumstances change, I have to report this to the authority after one month at the latest. For example, if I get married or get divorced.**I am committing an administrative offense if I do not comply with the statements in point 9.**

Data protection declaration – General information according to Article 13 GDPR

In accordance with Article 13 of the General Data Protection Regulation (GDPR), we would like to inform you that the personal data you have provided will be processed electronically. The Bundesamt für Fremdenwesen und Asyl (Federal Office for Immigration and Asylum, BFA) is responsible for processing your application. You cannot object to this processing, nor can you request a restriction. This is stated in section 34 Settlement and Residence Act (NAG). Precise information on the processing of your personal data, your rights as a data subject and the right to lodge a complaint with the data protection authority can be found online on the website of the BFA:

<https://www.asylumiaustria.at/privacy-policy/family-reunification.html>.

F. What do I do if I want to extend my residence permit?

Before your residence permit expires, you can **personally** apply for a new residence permit. You can apply for another residence permit

- **no earlier than three months before expiry** of the current residence permit and
- **no later than the day on which the residence permit expires.**

The expiration date is on your residence permit. Please make an appointment in due time.

If you submit the application too late, the application is considered as an initial application. This means you will probably have to leave Austria. In this case you would have to submit the application while abroad.

This is stated in Section 24 of the Settlement and Residence Act. The abbreviation for this is NAG.

By signing I confirm that I understand the instructions above. This is the instruction according to Section 19 paragraph 7 NAG.

As long as you are a family member according to section 46a NAG you have to lodge an application for extension at the Federal Office for Migration and Asylum. If you are not a family member according to section 46a NAG anymore (e.g. divorce, reaching the age of majority, death of your sponsor) the local authority for settlement and residence is responsible for the extension (section 27 NAG). The responsible authority depends on your place of residence (in most cases, the district administrative authority, in Graz and Vienna the governors).

Please set a reminder in your personal calendar to be always in possession of a valid proof of your right of residence.
