For representation you need a written power of attorney. The power of attorney must include your details and the details of your representative. You have to sign the power of attorney. The representative must also be aware of the power of attorney and has to sign it. If a lawyer represents you, different rules apply. Your lawyer will inform you about these rules.

You can find a sample power of attorney under Section F at

- **Authorisation to receive documents:** You can appoint a person who lives in Austria to receive your letters. This can be, for example, your spouse, a relative or an acquaintance. The authority will then send letters to this person. You do not need a written power of attorney for this. You only need to fill in the following fields.

The person authorised to receive documents may only receive your letters, but may not represent you in the procedure.
